WROUGHT AND CAST IRON WORK.

Sealed proposals will be received at the office of the Superintendent until 12 M. January 15, 1871, for furnishing, delivering, fitting and putting in place the cast and wrought iron work exhibited in plans, specifications and schedules now in this office, consisting of cast iron columns, bedplates, &c., and wrought iron beams, girdors, &c.

The work of the columns, tron beams and girders must be furnished, delivered, fitted and put in place complete within four months after date of written notice to commence the work, and the remainder as rapidly as required by the progress of the work, and as demanded by the Superintendent.

working them, who will be furnished by the department when required.

Scaffölding to be furnished by the contractors.

Proposals will be made by the piece or by weight for the various castings and beams, as provided for in the schedules. The work will not be subdivided among different bilders, but will be considered in the aggregate.

Payments will be made monthly, deducting ten per cent, until the final completion of the contract.

All bids must be accompanied by a penal bond in the sum \$22,000 that the bidder will accept and perform the contract if awarded to him, the sufficiency of the security to be certified by the United States Judge, Clerk of the United States Cour or District Attorney of the district where he resides. The department reserves the right to reject any or all bids, if it be deemed for the interest of the government to do so; and any bid that is not made on the printed form to be obtained in this office, and does not comform in every respect to the requirements of this advertisement, will not be considered; neither will any proposals be received from parties who are not themselves engaged in the manufacture of cast or wrought from work, and who have not the necessary facilities for getting out the castings or rolled beams.

Proposals will be endorsed "Bids for Iron Work," and addressed to CALVIN T. HULBURD, Superintendent.
